

COVID-19 Vaccination Verification
IMPORTANT UPDATE for Ancaster Skating Club Members

September 20, 2021

PLEASE READ CAREFULLY:

Starting September 22, 2021 and in accordance with Provincial and City of Hamilton requirements, each person who enters an indoor facility for sports, recreation, meetings or events must show proof of vaccination and identification at the point of entry, which will be visually verified by City of Hamilton staff.

More specifically, this applies to:

- Adult patrons (age 18 and up) accessing the facility for any purpose, including parents or guardians of youth participating in an organized sport;
- Youth patrons (spectators) aged 12 and above.

The only individuals exempted from providing proof of vaccination at the point of entry include:

- Children under 12 years of age;
- Youth under age 18 actively participating in indoor organized sport, including training, practices, games and competitions;
- Patrons with medical exemptions as per the Ministry of Health guidance document “Medical Exemptions to COVID-19 Vaccination”, available at:
https://www.health.gov.on.ca/en/pro/programs/publichealth/coronavirus/docs/vaccine/medical_exemptions_to_vaccination.pdf
